

Current Metra System

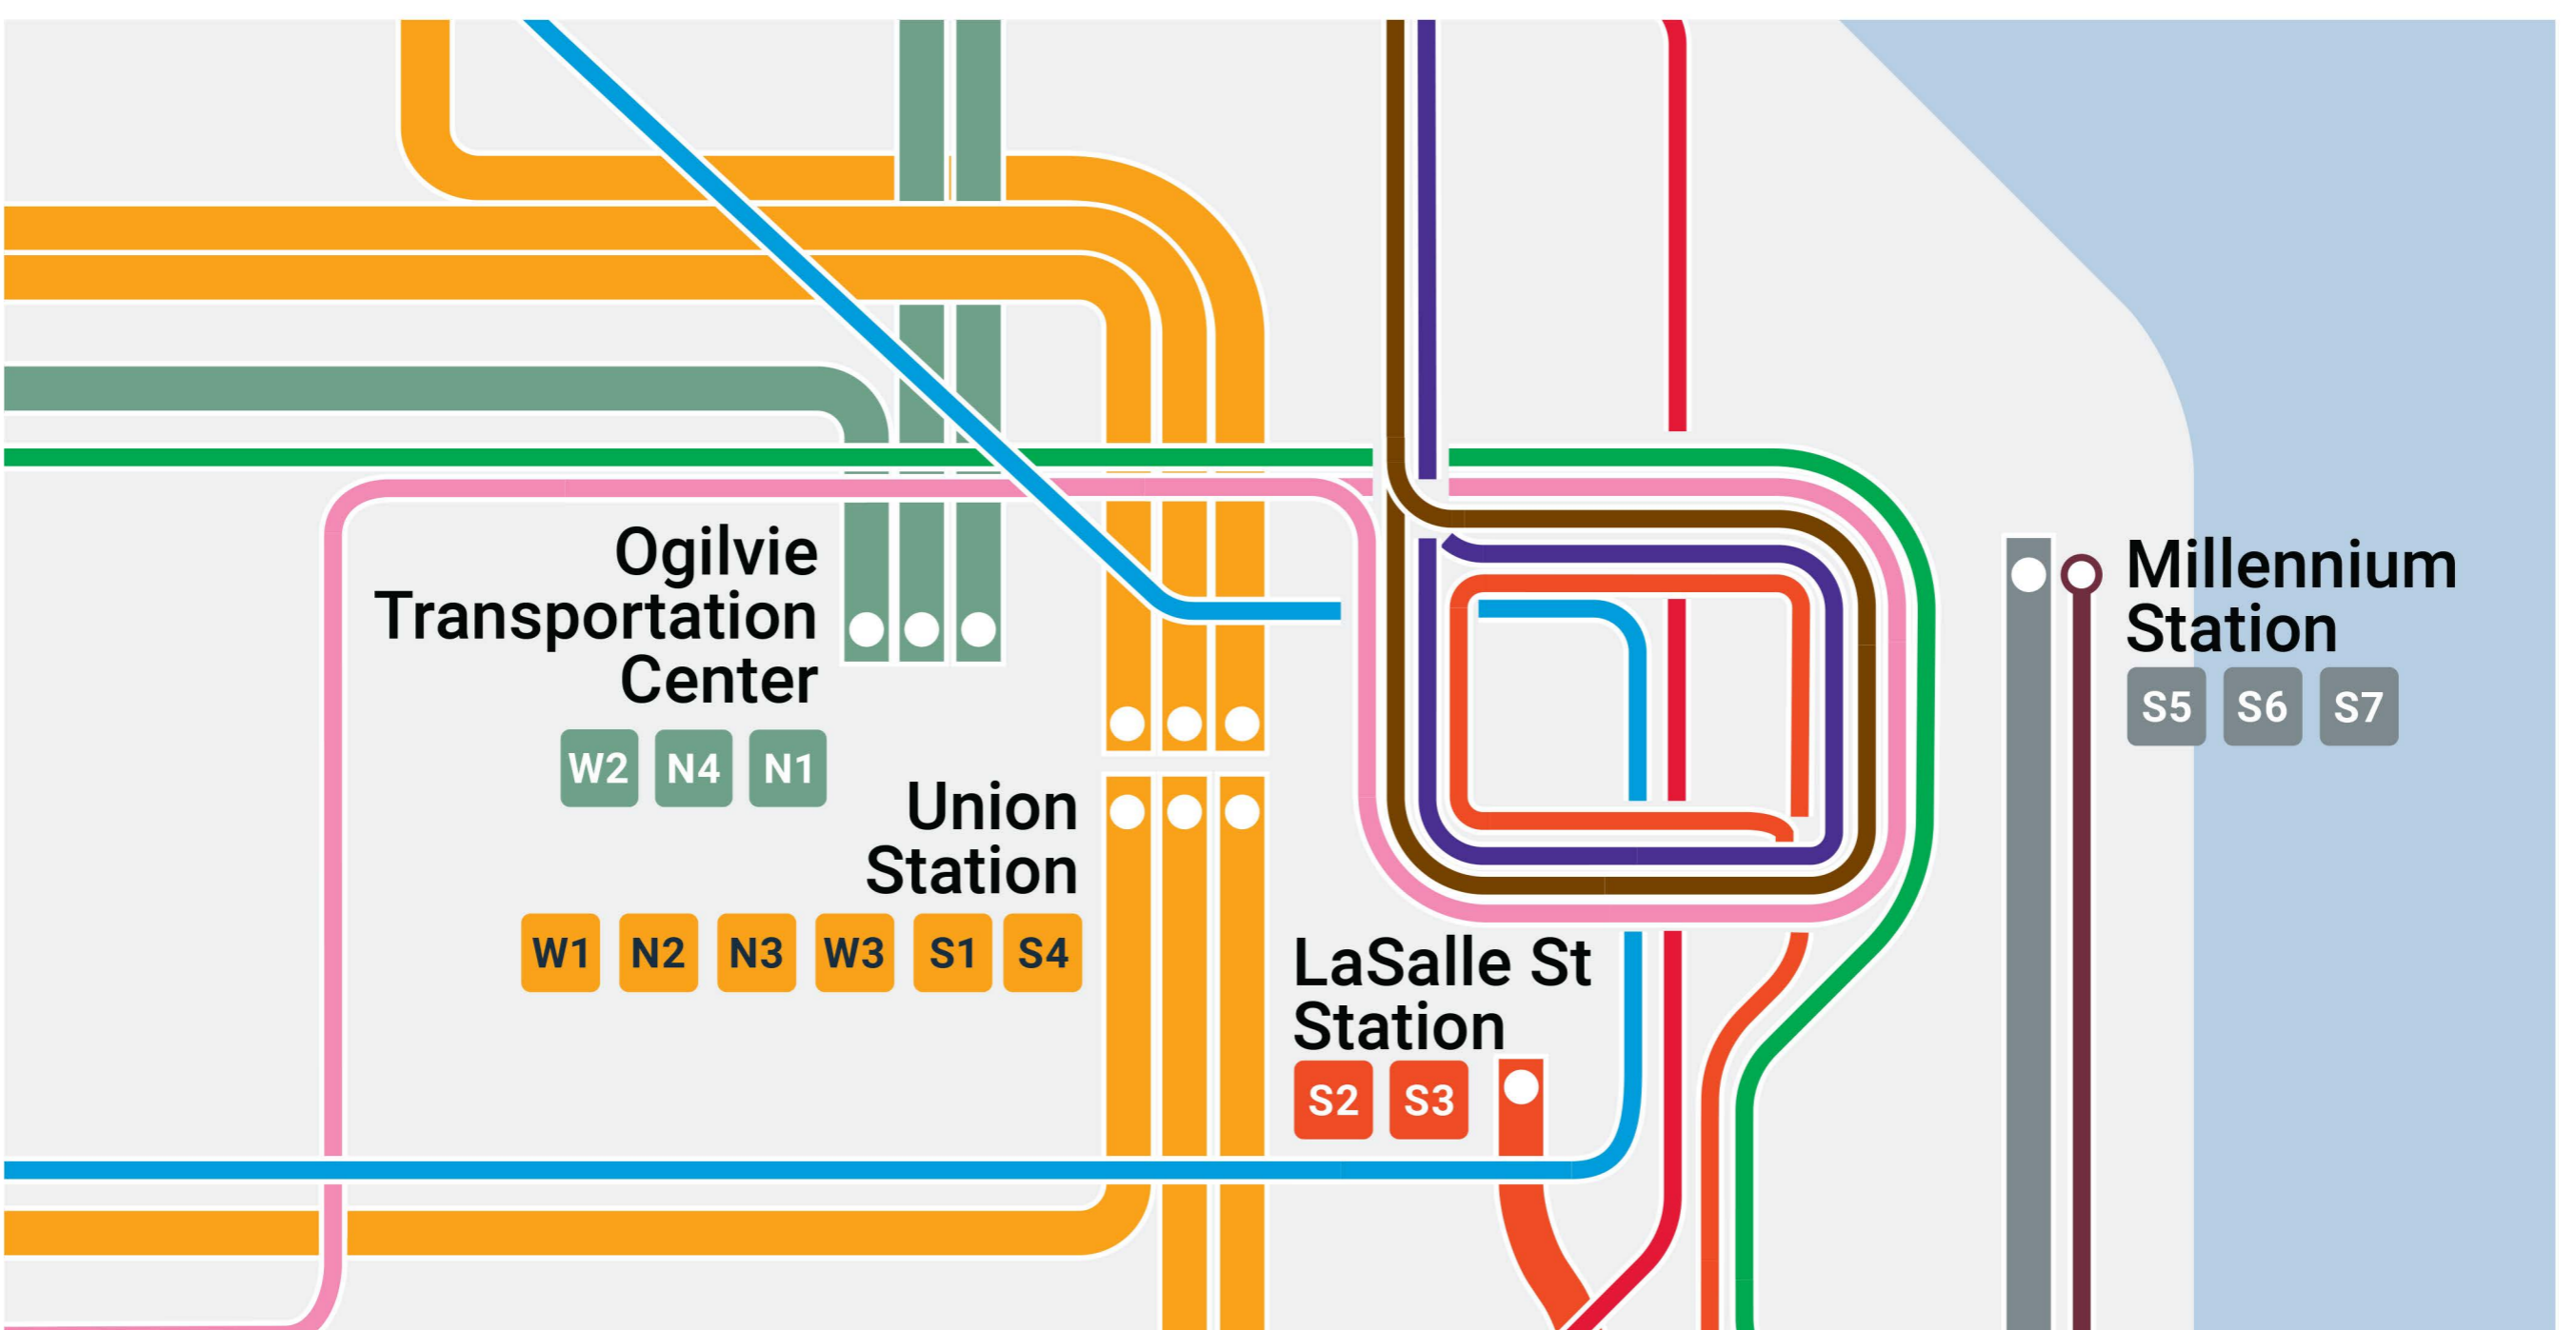

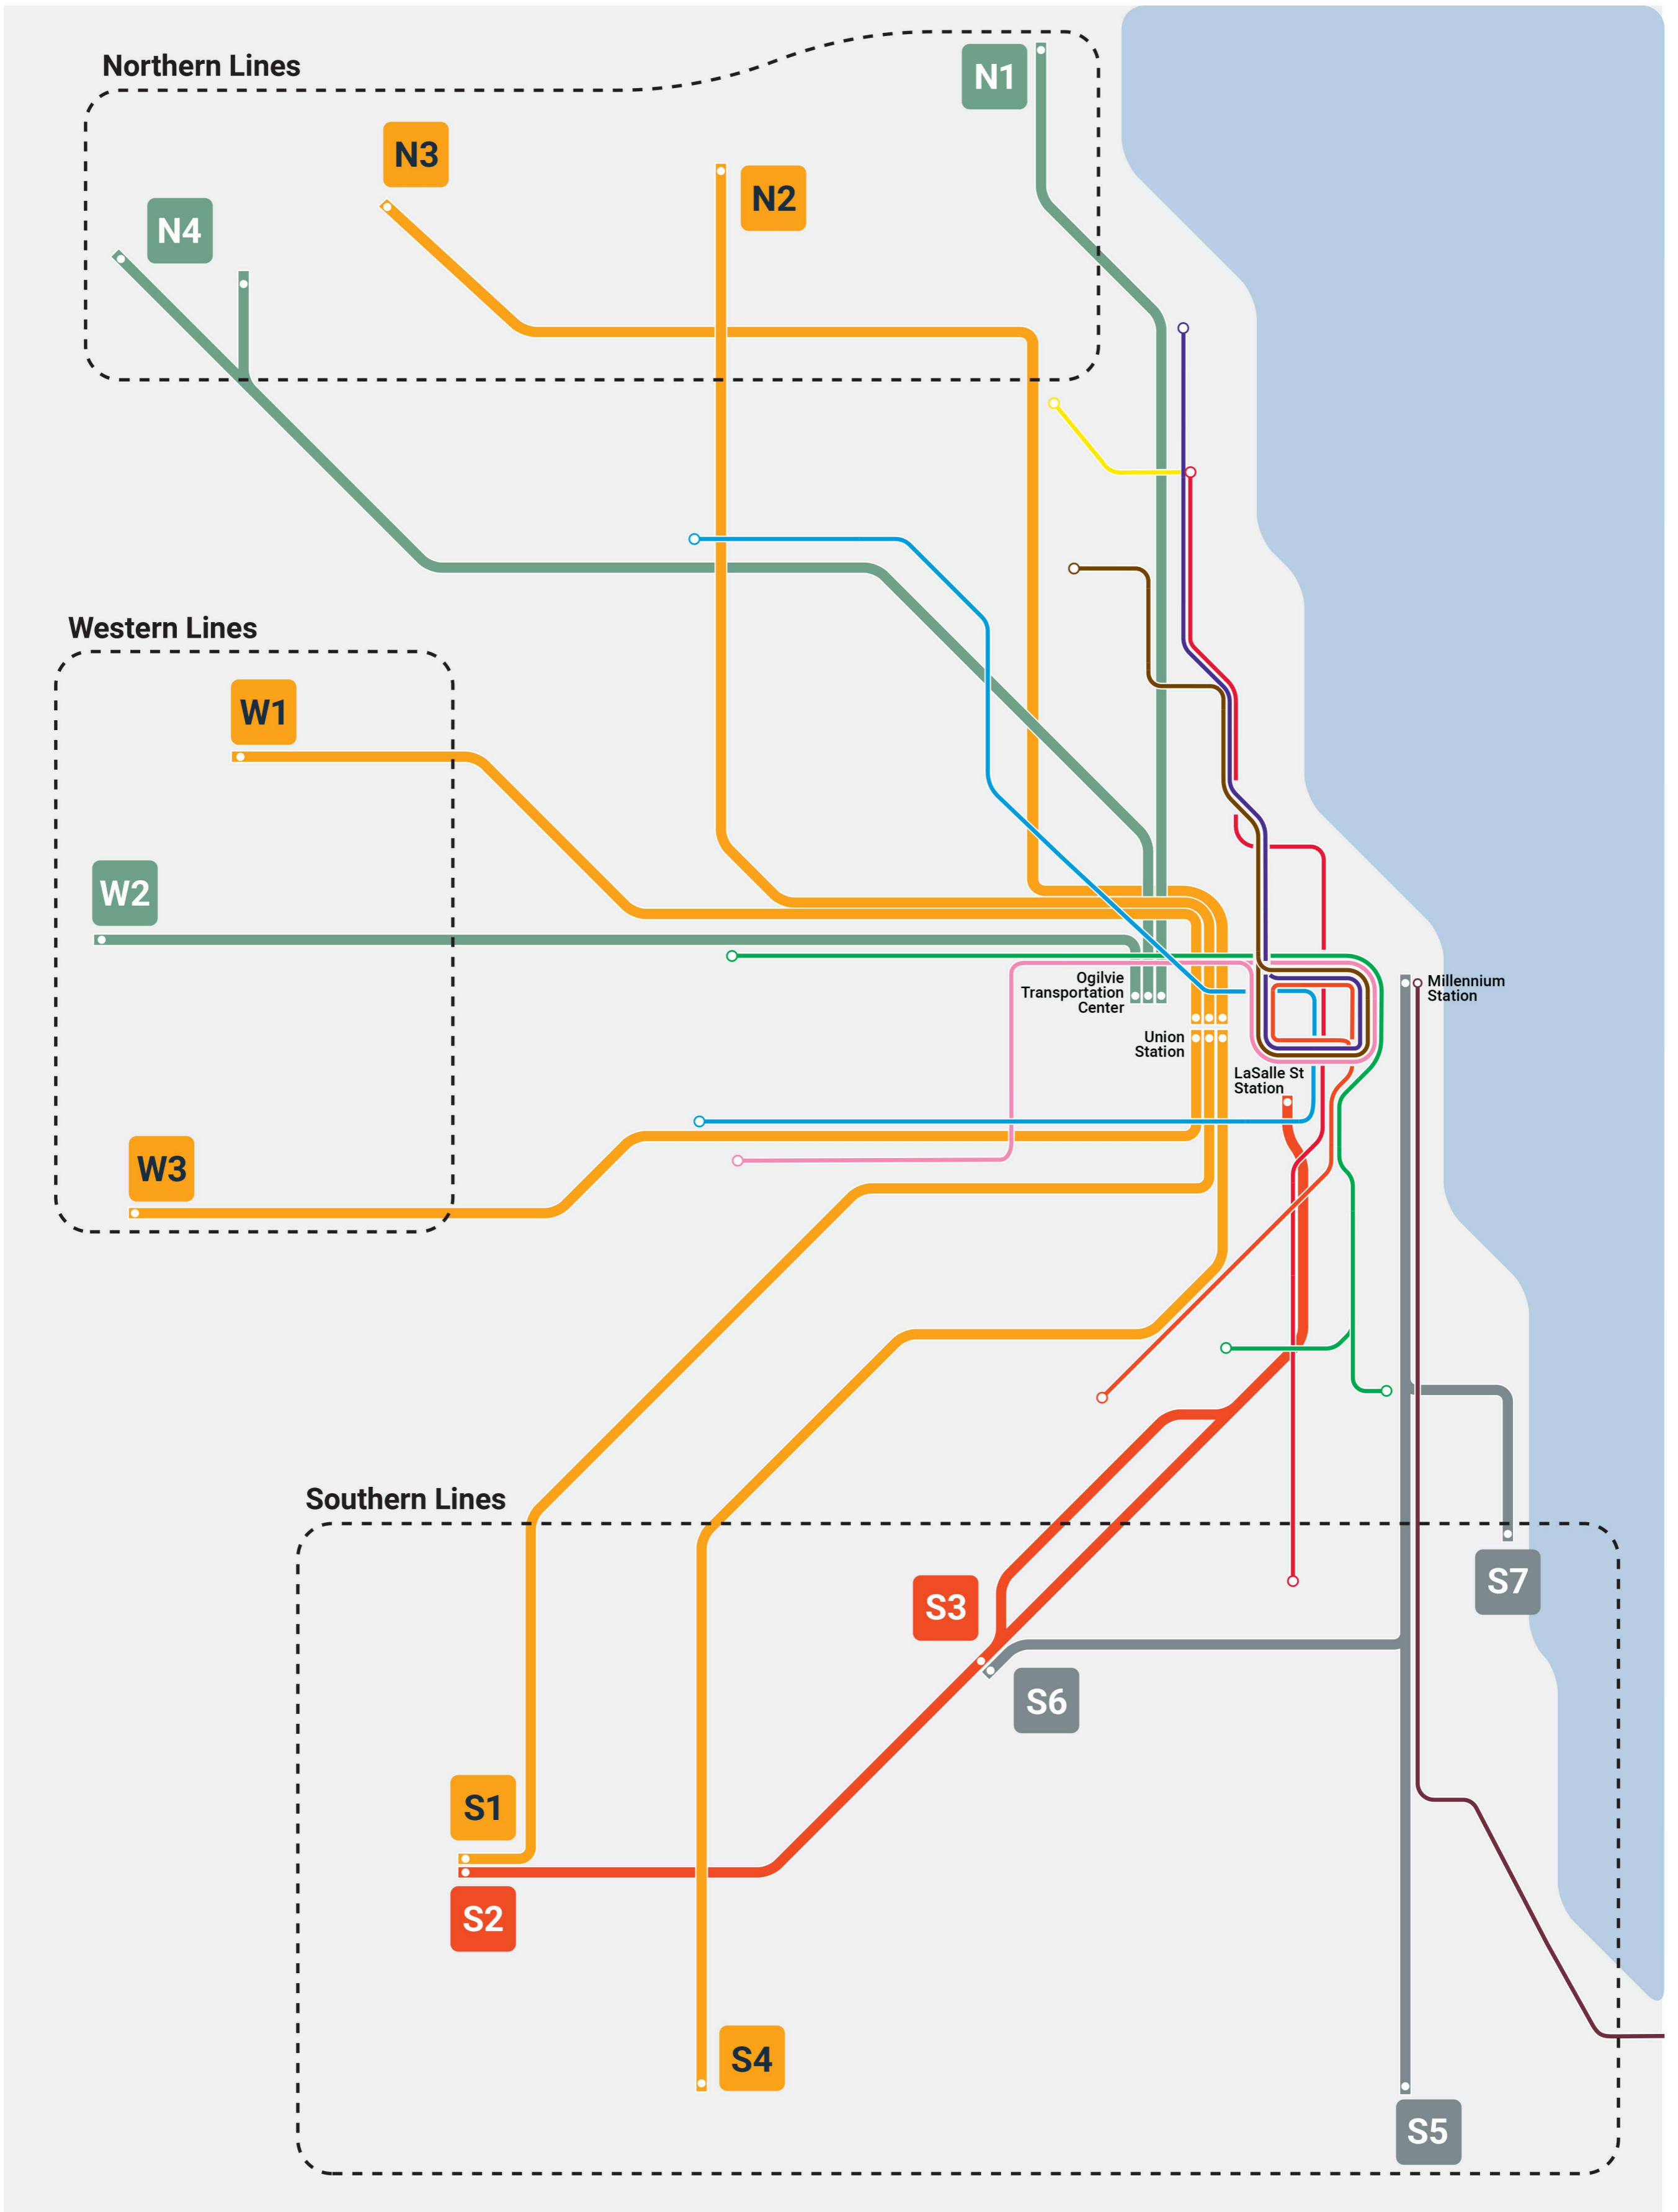

Metra's current lines have inconsistent naming abbreviations and overlapping colors, making it difficult to differentiate its network within Chicago's transit system.

Cardinal Direction System

Grouping Metra lines by cardinal direction and coordinating the color palette by downtown stations creates a more cohesive and organized transit landscape.

'M' for Metra System

- M1
- M2
- M3
- M4
- M5
- M6
- M7
